

Pubilc - SimpleSigner

Application possibilities:

Search this documentation

To find out more about it please visit our Homepage www.stepover.com/en-gb/signatur-software/simplesigner

Basically SimpleSigner can be used to:

- Configure StepOver signature devices
- Sign PDF/A documents electronically with StepOver Signature-Pads
- Save an image of the signature as bitmap or jpeg
- Display the document for review or signing on a SignaturePad with colour display.
